

## ABOUT THE STREAM-A-THON

The REALTOR® Foundation will host an 8-hour livestream event filled with stories of impact, interactive segments, and real-time giving. This event will raise funds to support housing stability across Central Indiana.

Throughout the day, we will feature targeted fundraising hours focused on the most critical needs facing our nonprofit partners. Viewers will be asked to support specific solutions, such as providing meals, emergency shelter, mental health counseling, and permanent housing.
