

Solving homelessness in Central Indiana

because we all need a safe place to call home.

There are over 2,000 people without a stable home each night in central Indiana, many of them unseen. Mothers with children, people struggling with mental illness and addiction, survivors fleeing domestic violence, youth with no where to go.

The REALTOR® Foundation recognizes the critical need in central Indiana for safe and secure housing solutions. And when there is a scarcity around housing or any other resource, it is the most vulnerable among us that fall between the cracks. To fill this need, the REALTOR® Foundation and our advocates have focused our mission on meeting this challenge by supporting the organizations that are solving homelessness in central Indiana.

In the past decade, the REALTOR® Foundation has invested more than \$2.5 million in support of local nonprofits preventing and ending homelessness in our communities, as well as providing the resources necessary to keep people in their homes.

The REALTOR® Foundation raises money through an annual fund and events like The Ball, Annual Golf Outing, and The Party With A Purpose. From our annual fund, The Foundation provides grants to more than two dozen organizations every year. 100% of proceeds from REALTOR® Foundation events support our capacity to fulfill our mission to solve homelessness.

It is because of generous donations, sponsorship, and in-kind contributions that we can continue to fulfill our mission.
