

EVERYONE DESERVES A SAFE PLACE TO CALL HOME

When we pass them on the street, we avert our eyes and tell ourselves we are different. We all think it could never happen to us. That is one very real picture of homeless, but there is really so much more than we don't see. The reality is that about 2,000 people are homeless each night in Indianapolis as well as hundreds we do not see in surrounding counties.

The REALTOR® Foundation recognizes the critical need of the homeless in central Indiana and has focused its mission on meeting this challenge: To mobilize our real estate community to raise funds and foster support for organizations that transition central Indiana's homeless to safe and secure housing. In the past decade, the REALTOR® Foundation has invested more than \$2,500,000 in local homeless service providers who are meeting this critical need in the community through a competitive grant process.

The REALTOR® Foundation raises money through an annual fund and events like The MIBOR Ball, Annual Golf Outing, and our summer event, "License to Thrill: A Party for the REALTOR® Foundation." The Foundation provides grants to more than a dozen organizations per year. One hundred percent of proceeds from REALTOR® Foundation events support our capacity to fulfill our mission to assist the homeless.

It's because of generous donations, sponsorship and in-kind contributions that the REALTOR® Foundation can continue to fulfill its mission.

EVENT DONATION REQUEST FOR:

License to Thrill: A Party for the REALTOR® Foundation

Friday, July 23, 2021 - 6:30-10 PM

Silo Auto Club | 644 E. Washington St. Downtown
