

A DONATION

In Your Honor

As a REALTOR®, I am not only dedicated to helping my clients, but also committed to bettering my local community. In celebration of your closing, a donation was made to the REALTOR® Foundation in support of their mission to solve homelessness in central Indiana.

Did you know that over 12,000 people experience homelessness in our communities each year? With donations collected entirely from the real estate community, \$280,000 was granted this year to local nonprofits providing safe housing solutions for our most vulnerable neighbors. Serving families, domestic violence survivors, veterans, youth, and other Hoosiers in need, these organizations are furthering the REALTOR® Foundation's vision that everyone has a safe place to call home.
