

## REALTOR® Foundation Team Foundation Job Description

### What Is Team Foundation?

Team Foundation is an improved and remodeled version of our former Ambassador program. There are more than 6,000 MIBOR members across central Indiana. The REALTOR® Foundation has an 18-member Board of Directors and 1 full-time staff member. In order to effectively reach members, the Foundation needs the help of some additional friends willing to be advocates for our mission.

The REALTOR® Foundation's mission is to mobilize the real estate community to raise funds and foster support for organizations that transition central Indiana's homeless to safe and secure housing.

The new program is called Team Foundation to exemplify a group of people with a shared commitment to the REALTOR® Foundation mission. Team Foundation will be the *voice* of the Foundation and the Board of Directors will be the *face* of the Foundation.

**We are seeking energetic, enthusiastic volunteers to join Team Foundation.**

### Job Description

Members of Team Foundation participate through micro-volunteerism. You are not being asked to join a committee, but to volunteer to take action through small, directed tasks. For example, you may distribute a flyer for an upcoming event, read a Foundation update at a sales meeting, share a Foundation post on Facebook, volunteer at one of our events, etc. We will make a commitment to only ask our team members to take no more than one or two actions per month.

Through these activities, you will:

1. Spread the word among your colleagues and contacts within the industry.
2. Feel safe and supported as a volunteer. You will receive all the resources and direction you need to be successful.
3. Have fun! We are building a team. Although Team Foundation is set up for individual activity, we want team members to feel a part of a larger movement. One or two social events will be planned per year to bring team member together.
4. Grow as a leader in our real estate community. Team Foundation is an opportunity for individuals interested in getting more involved in their real estate community in a manageable way while still focused on building their business.
5. Become a part of a group of people who share your compassion for homeless Hoosiers and generosity to share your time, talent, and treasure.
